ABOUT NEKTER POP

A premium, probiotic, plant-based soda made from organic maple nectar: pure maple tree water, gently concentrated on the farm. Sweetened only by maple nectar, rich in electrolytes, prebiotic inulin and antioxidants, with no stevia, monk fruit or erythritol.

FEATURES & BENEFITS

Sourced only from organic maple trees and infused with organic flavors and extracts. 2 billion DE111® *Bacillus subtilis* probiotics per can for digestive health, at 45 calories and 0 g added sugar: bold, classic soda taste without the guilt.

OUR MISSION & IMPACT

A delicious, gut-healthy soda that is good for people and the planet. Renewable maple nectar conserves vital groundwater, and every can brings new revenue to 132+ family farms.
